

GUEST PARKING INSTRUCTIONS

Welcome to the offices of the Murdock Trust. We are happy to offer our conference room space for nonprofits to reserve for their meeting needs. For those who have been here before, please note that the surface lot with guest parking spots has been closed and all parking has been directed to the new above-ground parking garage. As we no longer have reserved or visitor parking spaces in the new parking garage, guests are responsible for parking at their own expense and we recommend carpooling when possible. Instructions and information for the above-ground parking garage and on-street parking is as follows:

You will be given a code to be used in the elevator to access the 7th floor. If you are having any trouble accessing our floor, please feel free to call 360-694-8415 during business hours.

If you are coming to our office outside of normal office hours, please let us know ahead of time so we may provide you with a point of contact and a guest key fob, as appropriate.
