# Board Policies

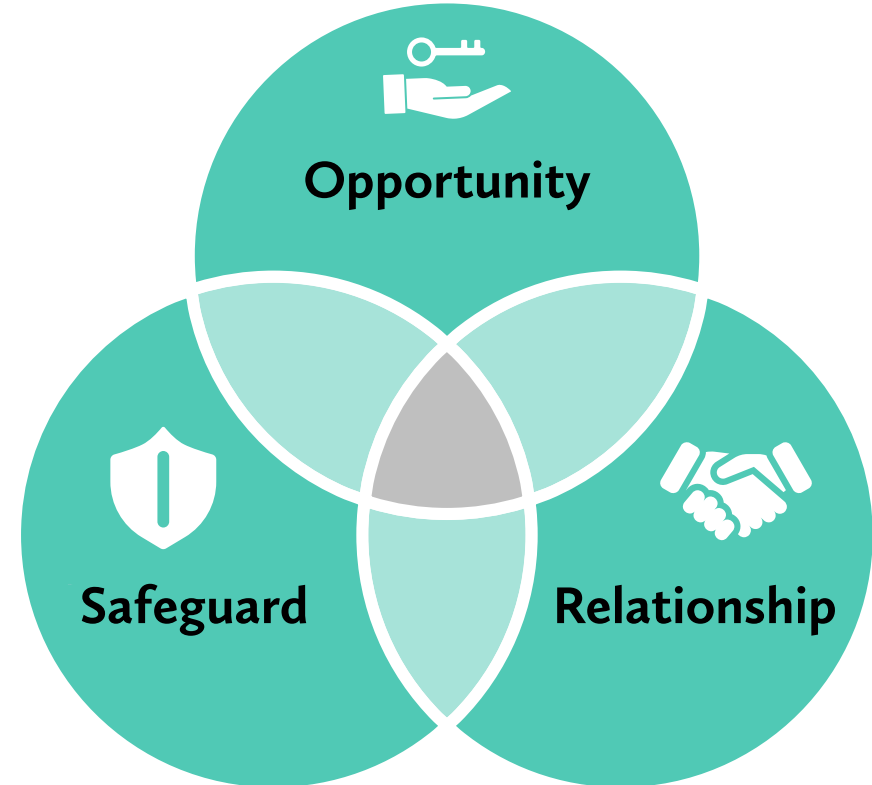

## The board focuses on three types of policies:

Opportunity policies provide thoughtful parameters on how opportunity will be pursued. For example, a policy may require 100% funding prior to starting a new initiative.

Safeguard policies are written to keep the organization from misunderstanding and harm. *Conflicts of Interest* and *Dispute Resolution* are two common examples.

Relationship policies describe the connection between the board, Executive Director, staff, volunteers, and constituency. Succession plans are a good example of how people will be cared for in crisis or planned transitions.

# Board Culture 101:

Creating and Sustaining Healthy Boards

Board Leadership  
& Development  
A MURDOCK TRUST PROGRAM

# Secular Definition

➤ Unwritten rules, assumptions, values, and social expectations that dictate how board members behave together

➤ How things get done, rather than what gets done

➤ Like background noise, organizational culture often goes unnoticed until a crisis or leadership transition occurs

# Ministry Definition

**The board is a spiritual community called by God to steward a piece of His Kingdom work here on earth**

# Spiritual Community Called by God

## 1

### Spiritual

“Let us consider how we may spur one another on toward love and good deeds... encouraging one another...”

*(Heb. 10:24-25)*

- › Create a prayer list of requests from senior staff and trustees in advance
- › Set aside 30-60 minutes of agenda time to pray for the ministry
- › Ask someone to pray after each major discussion
- › Schedule a devotional (or study Scripture)
- › Fast together

# Spiritual Community Called by God

## 2

### Community

“Encourage one another and build each other up...”

*(1 Thess. 5:11)*

- › Give new trustees a “board buddy”
- › Invite trustees to share “life stories”
- › Do mission together
- › Add an annual retreat
- › Include spouses whenever possible
- › Honor long-serving staff and trustees

# Spiritual Community Called by God

3

## Called by God

“You did not choose me, but I chose you and appointed you that you should go and bear fruit”

*(John 15:16)*

- › God has selected you to be a trustee of His mission
- › Not merely human choice
- › Not accidental

# Qualities of Spiritual Communities Called by God

## 4

### Transparent

“If we walk in the light, as he is in the light, we have fellowship with one another”

*(1 John 2:7)*

- › Clarify decision-making authority of officers and committee chairs
- › Be clear about what needs to be confidential and why
- › Ensure that dissenters can share freely

# Transparent as to how decisions are really made

**Not dominated  
by a few**

**Not Christian Nice**

# Spiritual Community Called by God

5

## Heterogeneous

“Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ... whether Jews or Gentiles, slave or free...

The eye cannot say to the hand, “I don’t need you!”... On the contrary, those parts of the body that seem to be weaker are indispensable...” (*Romans 12*)

# Reflect Kingdom of God Diversity

- > Ethnicity
- > Gender
- > Age
- > Learning styles
- > Expertise
- > Politics

# Avoid Group Think

When all **think** alike, then no one is thinking  
-Walter Lippman-

# Spiritual Community Called by God

6

## Celebratory

“The Lord has done great things for us. We are glad.”  
(*Ps. 126:3*)

- › Thank God for missional fruitfulness
- › Honor those to whom honor is due
- › Be joyful together

# Questions for Discussion

➤ First, individually evaluate your board as a “spiritual community called by God” (see assessment worksheet on next page).

➤ Second, discuss your individual responses as a team. What action steps should your board take to become a more robust spiritual community?

# Framework for Board Success: A Structure

# Everything Starts with “Why”

- > Why did you come into existence?  
What need did you see?
- > What gets you up in the morning?
- > What keeps you up at night?
- > Understanding your “why” leads to a promise

# What is Your Promise?

- > Why was your organization founded?
- > What need did it set out to meet?
- > What is your promise?

# Your “Promise” is the Core, Touching All Elements of the Framework

# First Core Element: Mission

- > Defines what we do
- > The board is responsible to steward (hold in trust) the mission
- > Missions must live and breathe—they need to stay relevant

# Second Core Element: Target Audiences

- > You have multiple audiences—your primary audience is the beneficiary of your services
- > What does each audience want/need?
- > The board needs to ensure a strategy exists for each audience

# Third Core Element: Programs

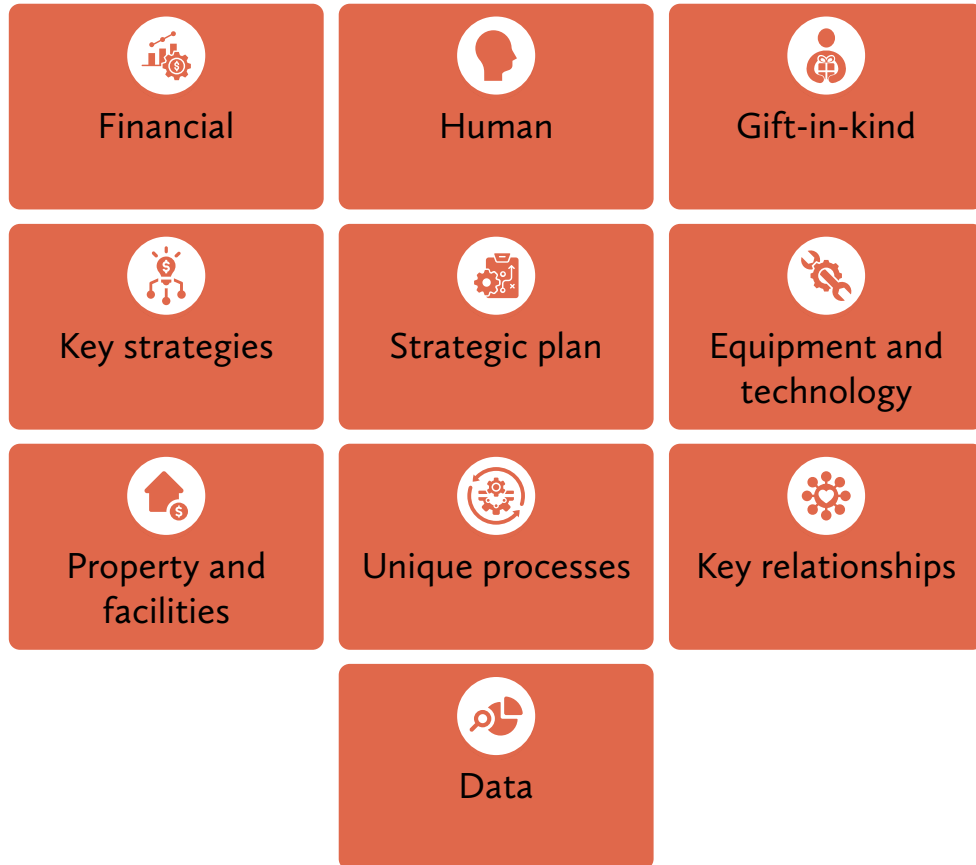

- > This is where your mission comes to life
- > Do we deliver this service/program better than everyone else?
- > Are our programs relevant/productive? Do they produce desired results?

# Fourth Core Element: Resources

# Fourth Core Element: Resources

- > Avoid overreliance on financials
- > Have a plan and review process for each resource

# Fifth Core Element: Future Direction

- > “Future” is the key word (70/30)
- > Proactive versus reactive
- > Disruption will drive this if nothing else
- > How will you deliver your mission three years from now?

# A Complete Framework for an Organization

- > Your promise is at the center of everything
- > Balances inputs/outputs
- > Top leaders need to understand your framework

# Adding the POWER

- > The power is the interconnectivity of the elements
- > Embrace this and avoid silo thinking
- > Promote efficient behavior

# Three Most Important Concepts with the Organizational Framework

1

Leadership must have a working understanding of the entire framework

2

Interconnectivity is key to driving efficiency and optimizing resources

3

Have a plan and review process for each element of the framework

# Strategic Planning 101:

The Board's Role in Strategic Planning

Board Leadership  
& Development  
A MURDOCK TRUST PROGRAM

# Strategic Planning

Why have a plan?

# Strategic Planning

A Spirit-led process of faith in which we seek God's will for the future of the ministry, and articulate it in a way that enables us to pursue it with organizational passion (unity of vision) and excellence (demanding our best)

# Strategic Planning

Strategic planning is a continual process that is used to set priorities, focus resources, and establish agreement on intended results. It shapes what an organization does with a focus on the future.

*Note: **Strategy** is different from **planning**. The strategy describes **HOW** goals will be met using available resources.*

# Board's Role in Strategic Planning

**Where you land on the previous chart helps describe your role in the strategic planning process.**

# Why Plans Fail, Falter, Succeed, Never Get Started

- › **Fail:** No loyalty, no updates, no accountability
- › **Falter:** Loss of focus due to the tyranny of the urgent, board neglect, rigidity
- › **Falter:** Strategy is confused with operations
- › **Falter:** Poor framing of strategic issues
- › **Succeed:** Loyalty, accountability, agility, enculturation
- › **Never get started/finished:** Desire for the perfect plan, low priority, the illusion of time commitment

*“I have always found that plans are useless, but planning is indispensable.”*

.....  
**Dwight D. Eisenhower**

# Outcomes of a Good Strategic Plan

Works well for most boards and executive directors

Functions well in simple/complex situations

Collaborative

Drives strategic thinking into the culture

Focused and communicates well

# Elements of the Work

**Strategy Formation**  
Strategic thinking

**Plan Development**  
Rolling three-year strategic plan

# Strategic Planning 101:

## Strategy Formation

# Why Is Strategy Important?

An organization's power arises from bringing its resources to bear on a point.

---

Deciding why and where to operate is different than operating.

---

Strategy overtly decides the best answers to “why and where.”

# What Strategy Looks Like

Guides resources allocation and shapes organizational practices.

Chooses a point of focus

Aligns organization around that point of focus

Great strategy uses today's resources to achieve greater success tomorrow through the organization's position, programs, practices, and resources.

# What Strategy Is

**Strategy advisor Roger Martin says it well...**

- › "Strategy is the act of making an integrated set of choices which positions the organization to win."

**Choices that fit together to achieve a defined vision**

**Strategy reveals the path to success**

# What Strategy Is Not

**Strategy is not planning, but they are dependent upon one another.**

- "Planning is the act of laying out projects (steps) with timelines, deliverables, budgets and responsibilities..." - Roger Martin

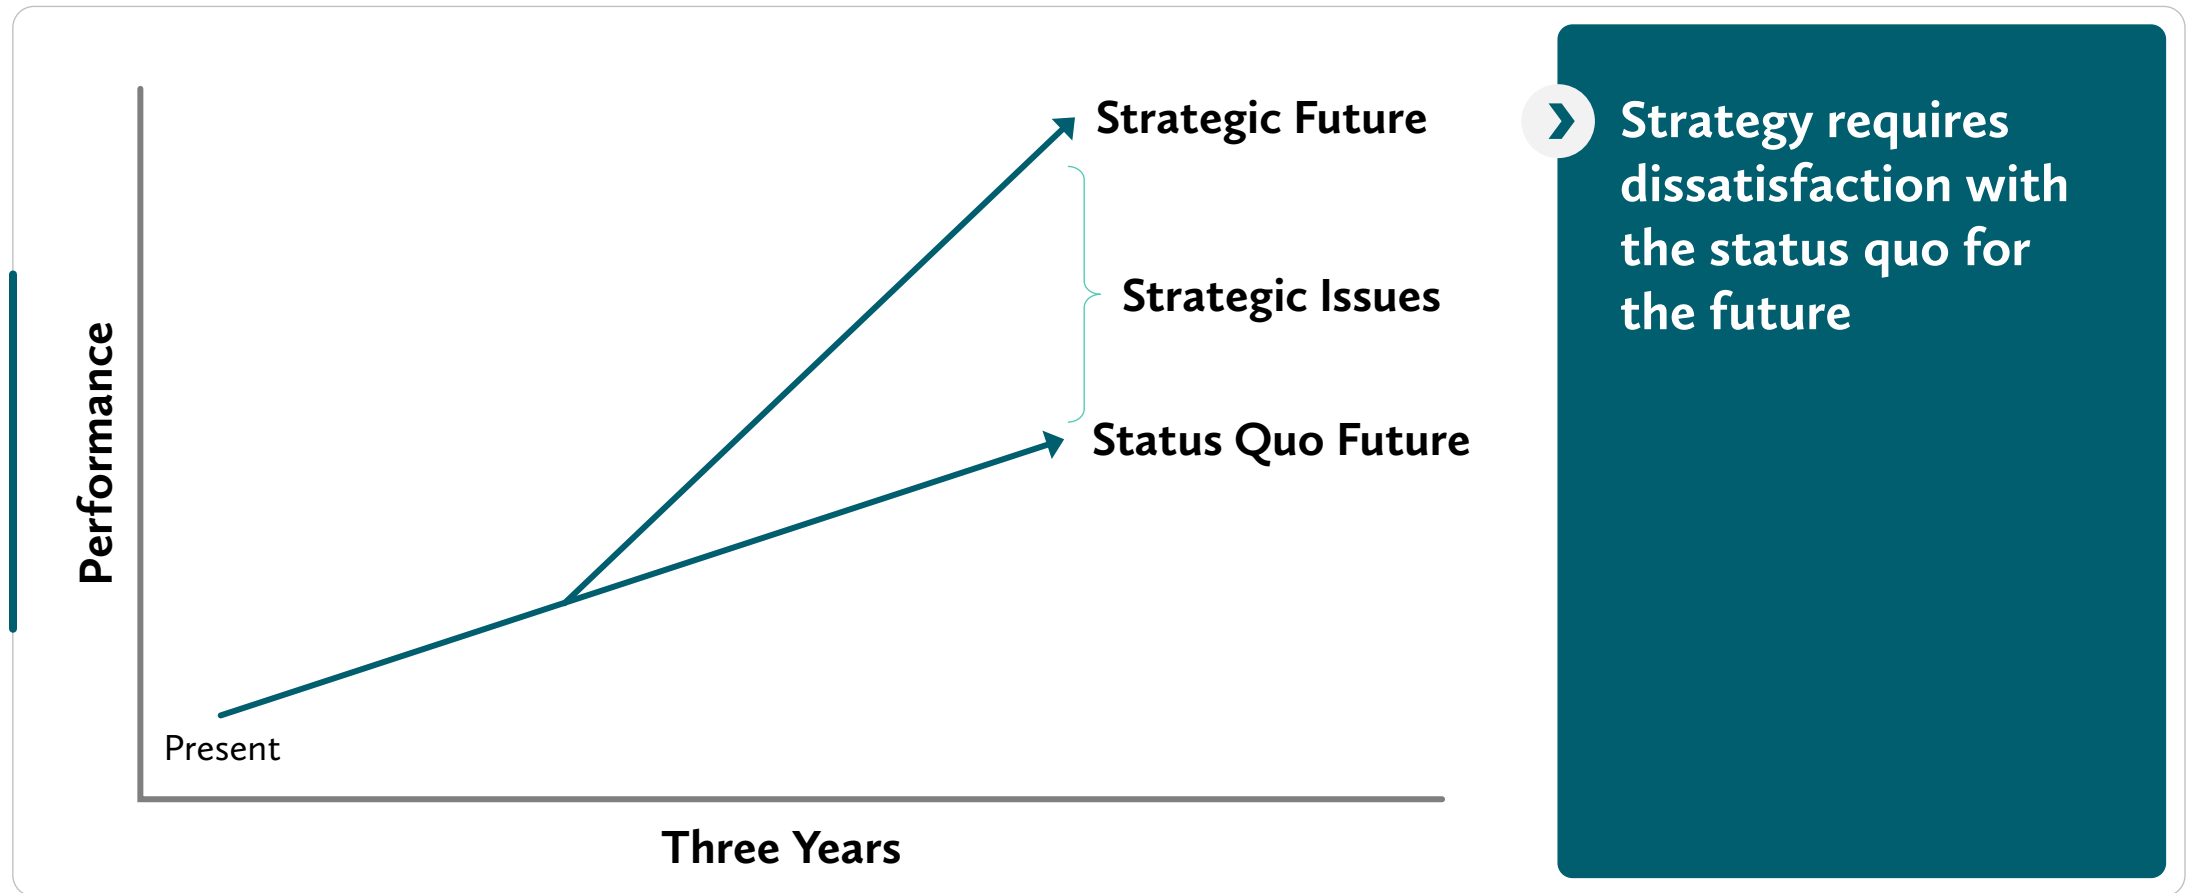

**Strategy is not tactics. Strategy is large-scope, long-term and stable. Tactics are fluid and shorter-term.**

- You adjust tactics in pursuit of your strategy.

# Strategy Formation

➤ **Strategy requires dissatisfaction with the status quo for the future**

# Context for Strategy

➤ An organization is itself “a thing”

➤ The organization operates within an environment

➤ That environment is dynamic

# 4 Parts of Strategy Formation

➤ Affirmation of purpose

➤ Narrative describing environment and its changing nature

➤ Statement of organization's position

➤ A real description of the organization at the end of the planning time horizon

# Results of Strategy Formation

› Answers the big questions

› Guides resource allocation

› Provides direction that can be implemented organization-wide

› Develops outcomes for which management is responsible

# Strategy Formation Exercise

➤ **As you see the world today:**

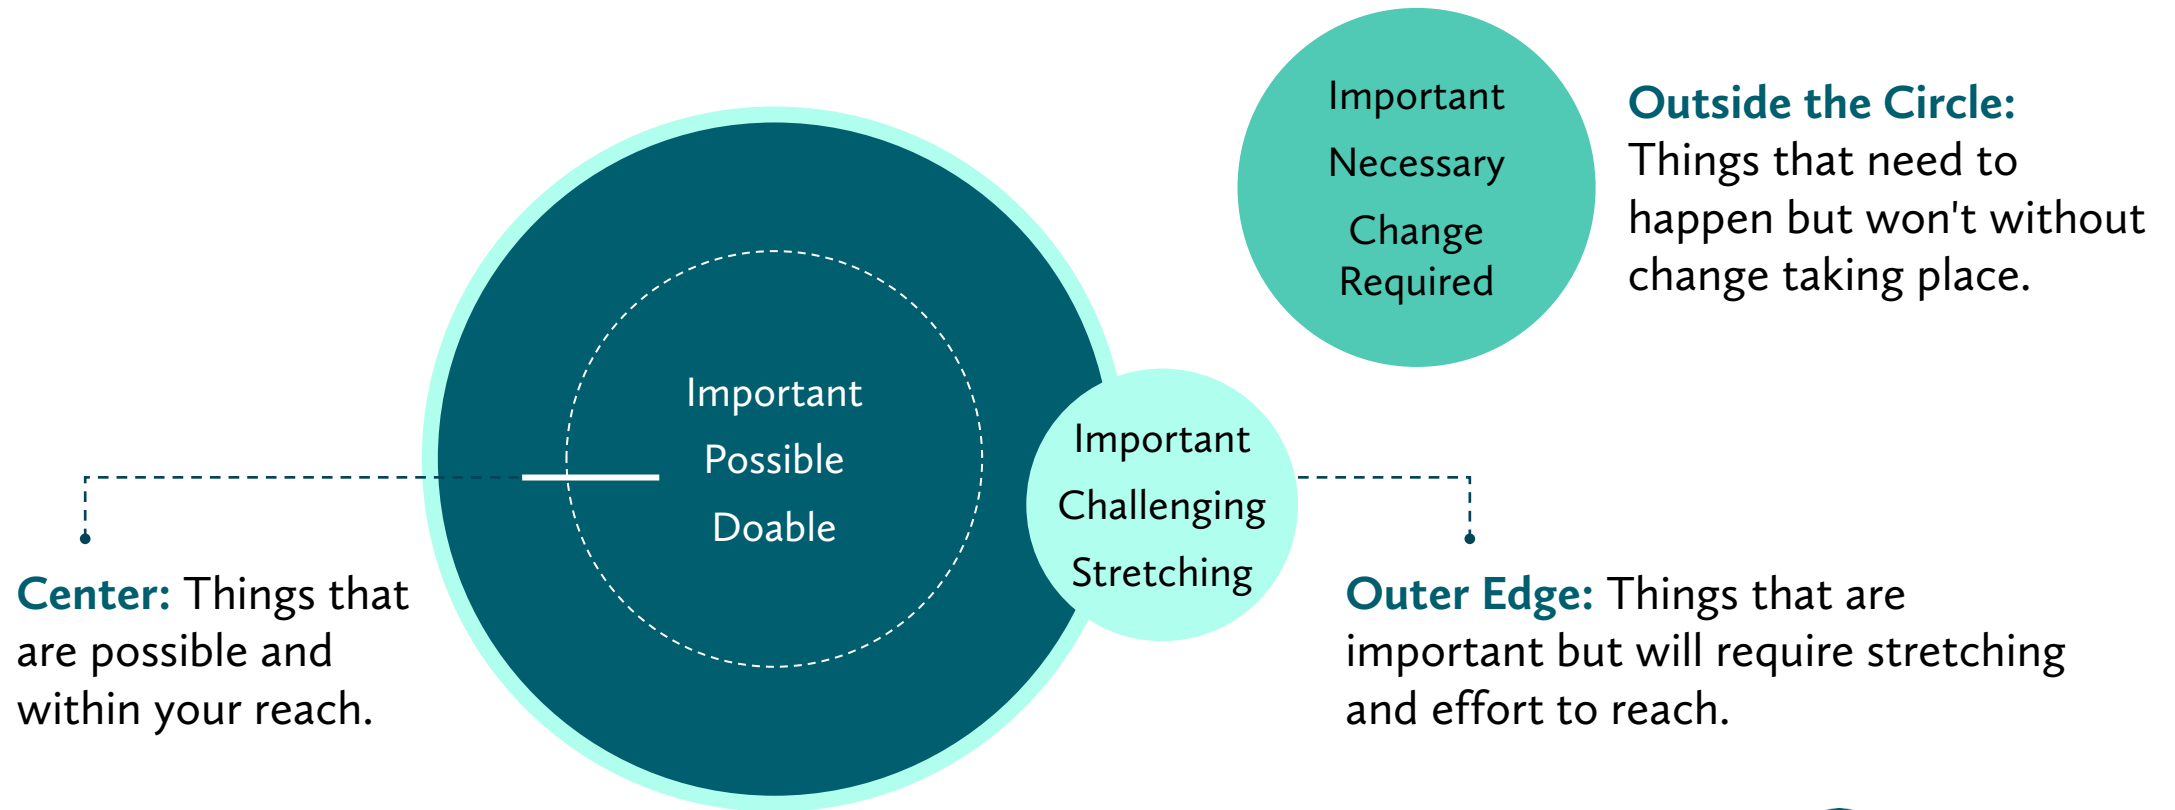

- What is **most** possible?
- What is **less** possible?
- What is **impossible** (but needs to happen)?

*Strategic thinking will consider how to make the impossible come to be a reality.*

# Circle of Possibility

*Things to Consider: Think about the next 3 years.*
