BUDGET NARRATIVE (PART TWO)

Compensation: salary is based upon a Board approved internal scale for all employees; benefits vary from year to year but generally include taxes, 401-k retirement contribution, and health insurance.

Computer is a Dell desktop based upon online sales price with service contract.

Software includes MS Office and additional products as needed. Telephone is a cell phone and one year of usage based on quoted prices from a local provider.

Travel and entertainment supports the Area Director's work with but it also supports travel outside of the area for donor contacts and development work.

New printed materials are needed to promote program and train volunteers; video camera, microphones and playback items as well as recreational gear support program experience.
